

Molly Sheehan

Life Update – May 2019

Professional Life since Lab

- Postdoc moving maquettes into mammalian cells in lab of Brian Chow in UPenn Bioengineering
- Ran for US Congress in South Philadelphia and western suburbs (didn't win 😞)
- Currently doing political writing, policy consulting, and activism.

Molly Sheehan engages voters in Pennsylvania's fifth congressional district. THE MOLLY SHEEHAN CAMPAIGN [LesFest](#)

Postdoc hopes Pennsylvania voters will help her re-engineer how to run for Congress
